

A DAY IN A LIFE

The illustration shows a village layout with a central path marked by footprints. The path is numbered from 1 to 40. At the start of the path (point 1), there is a sign that says 'START!'. At the end of the path (point 40), there is a sign that says 'STOP!'. Various buildings and structures are scattered throughout the village, including a school, a hospital, a police station, a settlement, and an LCI office. Small inset images show people performing daily activities at different points along the path. For example, at point 1, a person is sleeping in a tent. At point 2, a person is washing clothes. At point 3, a person is walking towards a building. At point 4, a person is walking towards a building. At point 5, a person is walking towards a building. At point 6, a person is walking towards a building. At point 7, a person is walking towards a building. At point 8, a person is walking towards a building. At point 9, a person is walking towards a building. At point 10, a person is walking towards a building. At point 11, a person is walking towards a building. At point 12, a person is walking towards a building. At point 13, a person is walking towards a building. At point 14, a person is walking towards a building. At point 15, a person is walking towards a building. At point 16, a person is walking towards a building. At point 17, a person is walking towards a building. At point 18, a person is walking towards a building. At point 19, a person is walking towards a building. At point 20, a person is walking towards a building. At point 21, a person is walking towards a building. At point 22, a person is walking towards a building. At point 23, a person is walking towards a building. At point 24, a person is walking towards a building. At point 25, a person is walking towards a building. At point 26, a person is walking towards a building. At point 27, a person is walking towards a building. At point 28, a person is walking towards a building. At point 29, a person is walking towards a building. At point 30, a person is walking towards a building. At point 31, a person is walking towards a building. At point 32, a person is walking towards a building. At point 33, a person is walking towards a building. At point 34, a person is walking towards a building. At point 35, a person is walking towards a building. At point 36, a person is walking towards a building. At point 37, a person is walking towards a building. At point 38, a person is walking towards a building. At point 39, a person is walking towards a building. At point 40, a person is walking towards a building.
